MEMORANDUM FOR: Chief, Procurement Division, Office of Logistics

THROUGH : Chief, Logistics Branch, NPIC

SUBJECT : Work Order No. 11, Under Contract [REDACTED]

25X1A

1. The subject Work Order, attached hereto, covers the fabrication of a Chip Cutter-Viewer in accordance with Specification 101 dated 26 March 1963 as amended by the [REDACTED] proposal dated 10 June 1963.

25X1A

2. There are no detailed engineering specifications or drawings available that sufficiently describe the chip cutter-viewer to permit open solicitation of bids. On the other hand, the [REDACTED] has a thorough understanding of the requirements as well as a full development capability and background in related equipment items. It is therefore recommended that the procurement be awarded to the [REDACTED] under existing Contract [REDACTED]

25X1A

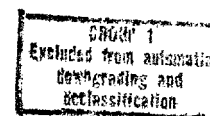

3. Cost elements of Engineering, Fabrication and Materials contained in the proposal, totaling [REDACTED] have been technically evaluated and appear to represent a reasonable estimate of the work involved.
